1. Agreement

By using ApertureMatrix.com you agree to these Terms and Conditions. If you do not agree, do not use the site. The site is published by Aperture Matrix Publishing LLC.

2. The magazine

Aperture Matrix publishes photography news, reviews, tutorials, originals, community galleries, contests, and related educational materials. Content is provided for information and education. Product names mentioned in reviews remain the trademarks of their owners.

3. Intellectual property

All editorial text, page design, logos, and commissioned photographs are owned by Aperture Matrix Publishing LLC unless another credit appears. You may not copy, scrape, train models on, or redistribute our files without written permission.

4. Acceptable use

You will not attempt to remove watermarks, bypass image protections, harvest accounts, post unlawful material, or interfere with the site. Contest entries must be your own work and must follow the brief published for that contest.

5. Member accounts

Member sign-in on this edition is stored in your browser for bookmarks and contest entry. You are responsible for activity under the name you enter. Publisher tools on the staff dashboard are restricted to authorized personnel.

6. Store and tutorials

Tutorial and plugin listings in the Store describe products offered by Aperture Matrix. Prices and availability may change. Digital purchases are licensed for personal use unless a separate license says otherwise.

7. Disclaimer

The magazine is provided as is. We do not warrant that reviews, tutorials, or community advice will meet your particular purpose or that the site will be uninterrupted. Camera and software decisions remain yours.

8. Limitation of liability

To the fullest extent permitted by law, Aperture Matrix Publishing LLC is not liable for indirect, incidental, or consequential damages arising from use of the site or reliance on editorial content.

9. Changes

We may update these Terms. The effective date at the top of this document will change when we do. Continued use after an update constitutes acceptance.
